

<b>Leisure</b>
What provision is being made to improve social and leisure facilities particularly for younger people?
More Play facilities up Braybrooke road
Swimming Pool
Further improvements to the Leisure Centre (as promised)
A cinema and swimming pool would also enhance the town
What about phase 2 at the Leisure Centre that wasn't thought out very well. It has a tiny gym and a wide corridor
The Leisure centre is a joke – no more than a second class village hall
I feel that the old Hawthorns leisure centre site should actually be brought back into use for the Community living to the South of the Town.
The town's leisure facilities are woefully inadequate, despite the population doubling there has been a steady decrease in the facilities available in the town
